

***Wellness Management & Recovery
Regional Leadership Institutes:***
Where are We with the Recovery Movement?

Learning Objectives:

- Participants will enrich their understanding about the history of the recovery movement
- Participants will explore the relationship between empowerment, activism, and personal wellness.
- Participants will work in small groups to identify where recovery is working well in the community and how to create more opportunities for recovery.
- Participants will share their ideas for continued growth and leadership in the community
- Participants will collectively create an action plan for sustained growth of recovery and wellness in the region.

When:

Wednesday, September 9, 2015

Time:

9:30am-5:00pm

Where:

Ohio Wesleyan University
Hamilton Williams Campus,
Benes Room A
61 S. Sandusky St., Delaware, OH
43015
